# KELVIN INTERNATIONAL SCHOOL

# President's Message

As President of Kelvin International School, I take immense pride in the journey we have shared this academic year. A school is not just defined by its buildings or results, but by the values it nurtures, the curiosity it ignites, and the character it shapes.

This year has been a testament to resilience, dedication, and collective growth. I commend our students for their enthusiasm to learn, our teachers for their unwavering commitment, and our parents for their constant trust and support. Together, we continue to build an environment where excellence is encouraged, discipline is respected, and every child is inspired to reach their true potential.

As we turn the page to a new chapter, may our students carry forward confidence, compassion, and a lifelong love for learning. I wish everyone continued success and fulfilment in the years ahead.

**Mr. Ankit Mathur**  
**President**

# Investiture CEREMONY

The Investiture Ceremony marked the beginning of a new leadership journey. With confidence and commitment, the house leaders promised to uphold the values and discipline of the school. It is a ceremony of trust, accountability and service. Our leaders pledge to lead by example and work for the betterment of the school community.

# Principal's Message

The session 2025–26 has been a truly enriching and memorable journey for Kelvin International School. This year reflected a perfect blend of academic excellence, regular assessments, co-curricular activities, competitions, sports, celebrations, and engaging internal programs. We were also delighted to organize a memorable educational trip that provided our students with valuable real-life learning experiences beyond the classroom.

Throughout the year, we focused on structured academic planning, well-designed syllabus strategies, and an organized teaching pattern to ensure smooth and effective learning. Regular meetings, strong coordination, and teacher onboarding and development programs helped enhance teaching quality and ensured the timely and successful completion of the yearly curriculum.

From our youngest learners to our senior students, every event big or small showcased creativity, confidence, discipline, and teamwork. Our students have grown not only academically but also socially and emotionally, learning important life skills through participation and collaboration.

I sincerely appreciate the dedication of our teachers, the enthusiasm of our students, and the continuous support of our parents in making this session successful and meaningful. We look forward to another year filled with new opportunities, achievements, and joyful learning.

# Annual Sports Day

*'A day where the field came alive with cheers, courage and championship.'*

The Annual Sports Day was celebrated with great enthusiasm and discipline, reflecting the true spirit of sportsmanship and unity. The event commenced with a ceremonial march past, showcasing coordination and teamwork among students. Sports day reminded us that true victory lies in participation and teamwork.

## Inter- House Championship Winner - **Lyra House**

Lyra house emerged victorious, demonstrating exceptional teamwork, discipline and determination. Their consistent performance and unwavering spirit rightfully earned them the Winner's Trophy

# Science Exhibition "Imagine. Invent. Inspire."

The Science Exhibition was a grand display of creativity and scientific inquiry, where students transformed into young innovators. Unlike a traditional test, this event provided a platform for students to demonstrate their understanding through live experiments, working models, and interactive presentations. From sustainable energy solutions to the wonders of robotics and biology, the exhibits reflected the students' hard work and curiosity. The event was a celebration of "learning by doing," encouraging visitors and participants alike to look at the world through a lens of logic and wonder.

# Annual Function (2025-26)

“From Practice to Perfection – A Grand Celebration”

The Annual Function of our school was celebrated with great enthusiasm, joy, and vibrant energy. The campus echoed with excitement as students, parents, and teachers gathered to witness a spectacular showcase of talent under the inspiring theme “*Rhythm of India.*”

Our students presented a series of captivating performances that beautifully reflected the diversity and unity of our nation. From classical rhythms to energetic folk beats, every performance celebrated the spirit, colours, and traditions of India. The colourful costumes, radiant smiles, and confident expressions of the children made the entire programme lively, vibrant, and unforgettable.

Staying true to our belief in holistic development, we ensured that every child was given an opportunity to participate and step onto the stage. The Annual Function was not just about performances; it was about building confidence, overcoming stage fear, nurturing teamwork, and shaping strong personalities. Watching our students transform their hard work and practice into perfection was truly inspiring.

The event was a grand success and a proud moment for the entire school community. It was a day that showcased the hidden talents, dedication, and creativity of our students.

# Educational Tour

The Educational Tour was an enriching and memorable experience for our students. It provided a wonderful opportunity to step beyond the classroom and gain valuable practical knowledge through real-life experiences.

The students visited Oil and Natural Gas Corporation (ONGC) in Dehradun as part of their educational tour. During the visit, they explored the Subir Raha Oil Museum and learned about the history of the oil industry in India. They also gained knowledge about the process of refining crude oil. The visit was highly informative and helped students understand the practical aspects of energy resources. It was truly a valuable and enriching learning experience.

## Words by Our Scholars

— Yash Vardhan Negi, Class VI

*“We learned many new things, explored different places and made happy memories.”*

— Anurag Antwal, Class VII

*“Visiting ONGC was very interesting and we learned many new things there.”*

— Aryan Negi, Class V

*“This visit helped us learn new things and think about our future.”*

— Avanya, Class IV

# Administrator's Message

Academics form the foundation of our school, and every decision we take is guided by the goal of improving teaching learning outcomes. Regular reviews, structured documentation, and timely interventions helped maintain continuity in academics while supporting teachers in meeting curriculum goals effectively. Equal attention was given to discipline, safety, and day-to-day operational efficiency, ensuring a secure and well organized learning environment for our students.

I firmly believe that sustainable progress is achieved when vision, execution, and accountability move together. The achievements reflected in this yearbook are the result of coordinated efforts by the management, principal, teachers, staff, students, and parents, all working within a structured and transparent framework.

As we move into the next academic session, our focus remains on strengthening systems, refining practices, and continuously improving the quality of education we deliver. With clarity of purpose and collective responsibility, I am confident that our school will continue to grow in excellence and stability.

Regards,

**Miss. Kiran Rawat**

# Kindergarten Activities A Joyful Beginning

Our Kindergarten section is a world of colours, laughter, and joyful learning. It is here that our little learners take their first step into the beautiful journey of education. Throughout the year, our tiny tots explored, discovered, and learned through fun-filled activities designed to nurture their creativity, confidence, and curiosity.

## Academic Activities

In our Kindergarten section, academic learning is made joyful and engaging through thoughtfully planned classroom experiences. Colour and Shape Days help children identify and understand basic concepts in a creative manner, while Show and Tell sessions build confidence and enhance speaking skills as children express themselves freely. Rhymes and storytelling sessions strengthen listening abilities and support language development in a fun-filled environment. The Kindergarten curriculum focuses on overall growth (social, emotional, physical, and intellectual) through interactive learning, smart classes, group activities, and play-based methods, helping our young learners build strong foundational skills in literacy and numeracy.

## 🎨 Co-Curricular Activities

Co-curricular activities play a vital role in enriching the Kindergarten experience. Through art and craft activities, including paper tearing, pasting, and festive creations, children expressed their creativity and imagination freely. Celebrations and theme days, along with special assemblies and dress-up activities, added excitement and joy to their learning journey. Outdoor play and fun games further supported the development of motor skills, coordination, and teamwork, ensuring a balanced and holistic growth for our little learners.

## *A Year Full of Smiles*

From their first day of school to confidently performing in school events, our little stars showed remarkable growth. Their innocent smiles, enthusiastic participation, and tiny achievements made the entire year truly special.

Indeed, Kindergarten is not just a class *“it is the beginning of dreams, discovery, and delightful learning”*.

## WALL OF EXCELLENCE

# Wall of Excellence

This year, our school proudly introduced the Wall of Excellence to recognize and celebrate the achievements of our students across all classes. The wall showcases outstanding academic performance, co-curricular accomplishments, creative talents, and notable milestones achieved throughout the year. It serves as a constant source of motivation, inspiring students to strive for excellence and take pride in their efforts. By acknowledging hard work and dedication, the Wall of Excellence reflects our commitment to fostering a culture of appreciation, encouragement, and achievement within the entire school community.

# Coordinators' Reflections

**Mrs. Neetu Verma**  
Upper Primary Coordinator

"The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well." — Ralph Waldo Emerson

At Kelvin International School, our main objective is to improve the growth of our children in every aspect while reducing their burden. As Senior Coordinator, my goal is to help give birth to the leader inside every student. This magazine captures the moments where our students have shone—not just as learners, but as individuals who are ready to teach and give back to society. Congratulations to all the students and staff who have made this year so memorable through their hard work and mutual respect.

**Mrs. Tanya Rawat**  
Primary Coordinator

As we close another remarkable year, it has been an absolute joy to watch our students grow, not just academically, but as compassionate individuals. We celebrated milestones, excelled in our endeavors, and built a nurturing environment where everyone could thrive. Remember, every success this year is a stepping stone for your future. You have filled our hallways with energy and kindness. As you turn these pages, I hope you cherish these memories, continue to strive for excellence, and remember that every ending is just a new beginning.

**Mrs. Preeti Bidlan**  
Kindergarten Coordinator

This year has been a journey of learning, cooperation and personal growth of our school community. The dedication of our students, guidance of our teachers and support of our school community have been the foundation of our success. We welcome the new session with optimism and determination. May it bring renewed enthusiasm for learning, higher aspiration and continued excellence in all the areas of our school. Let us move forward with more confidence and responsibility to making our school an even better place to learn and grow.

# With Gratitude & Togetherness

As we turn the final page of this year's journey at **Kelvin International School**, we do so with immense pride, gratitude, and joy. This year has been a celebration of learning, growth, achievements, and unforgettable moments.

From classrooms filled with curiosity to stages shining with confidence, from competitions that built resilience to celebrations that strengthened bonds, every experience has shaped our students into more confident, responsible, and capable individuals.

As a team, we have worked hand in hand with dedication and commitment to create a nurturing and inspiring environment for our learners. We sincerely thank our students for their enthusiasm, our parents for their continuous trust and support, and every member of our staff whose hard work and teamwork made this year successful.

Education is a shared journey, one that thrives on collaboration, compassion, and collective effort. Together, we have built not just academic excellence, but a strong school community rooted in values and vision.

As we step into a new academic year, we carry forward hope, determination, and the promise to continue striving for excellence.

*“Alone we can do so little; together we can do so much.”*
